## RECENT ACCOMPLISHMENTS

- Helped launch SignalsAZ.com, Talking Glass Media, as the organization's first content producer. In the first year, SignalsAZ.com is now viewed thousands of times per day by people in the quad city area of northern Arizona (approx. 103,000 residents) and around the country.
- Started producing video content for SignalsAZ.com outlets and studied analytics to see what was most successful on social media pages. Content produced has over 42,000 views combined in less than two years.
